Centene reaffirms its 2008 financial guidance in the previously announced ranges, exclusive of any one time charges and reclassifications associated with the sale of our New Jersey health plan. Full year 2008 earnings will be reported on February 10th, 2009, with the conference call at 8:30 AM (Eastern Time).

Separately, Centene has received notification of approval to serve Florida Medicaid members on a full-risk basis effective January 1, 2009. Sunshine State Health Plan, a wholly-owned subsidiary of Centene, will begin to convert members from its joint venture partner, Access Health Solutions, LLC, in the Tampa Bay and Miami-Dade markets in the first quarter of 2009. Sunshine will collaborate with the Florida Agency for Healthcare Administration and Access to expand its geographic presence in Florida and transition the Access members to Sunshine throughout 2009.

As previously announced, Centene entered into two agreements with AMERIGROUP on November 19, 2008 under which Centene would sell to AMERIGROUP certain assets in New Jersey and would purchase from AMERIGROUP certain assets in South Carolina. Closing of the transactions is contingent upon regulatory approvals and satisfaction of other conditions. Since the announcement of the transactions, issues have arisen that have required the parties to discuss the satisfaction of certain closing conditions. The parties are in discussions to resolve these matters and it remains Centene's objective to close both transactions.

Centene will host a conference call today at 8:30 AM (Eastern Time) to discuss the details of its guidance. Michael F. Neidorff, Chairman and Chief Executive Officer, and Eric R. Slusser, Executive Vice President and Chief Financial Officer, of Centene Corporation will lead the call.
