A webcast replay will be available shortly after the presentation via the Company's website at [www.centene.com](http://www.centene.com) under the Investors section.

### **About Centene Corporation**

Centene Corporation, a Fortune 500 company, is a leading *multi-line* healthcare enterprise that provides programs and related services to the rising number of underinsured and uninsured individuals. Many receive benefits provided under Medicaid, including the Children's Health Insurance Program (CHIP), as well as Aged, Blind or Disabled (ABD), Foster Care, long-term care, other state-sponsored programs and Medicare (Special Needs Plans). Centene's CeliCare subsidiary offers states unique "exchange-based" and other cost-effective coverage solutions for low-income populations. The Company operates local health plans and offers a range of health insurance solutions. It also contracts with other healthcare and commercial organizations to provide specialty services including behavioral health, life and health management, managed vision, telehealth services, and pharmacy benefits management. More information regarding Centene is available at [www.centene.com](http://www.centene.com).
