

Centene Provides Format Update Of Virtual 2021 Financial Guidance And Investor Meeting On December 18, 2020 - Nov 30, 2020

ST. LOUIS, Nov. 30, 2020 /PRNewswire/ -- Centene Corporation (NYSE: CNC) today provided an update on its upcoming 2021 Financial Guidance and Investor Meeting. In recognition of the increase in COVID-19 cases across the country, including in Missouri and St. Louis County, the company will adopt a hybrid presentation approach, which will include the use of pre-recorded management presentations with live Q&A sessions. This aligns with the company's approach to prioritizing the health and safety of its employees while remaining committed to the principles of transparent communications and engagement with its shareholders and the financial community.

Additional details for the virtual meeting, which will be streamed live on the Company's website at www.centene.com, under the Investors section, as well as instructions for institutional investors and analysts to enable the Question & Answer component, to follow.

About Centene Corporation

Centene Corporation, a Fortune 50 company, is a leading multi-national healthcare enterprise that is committed to helping people live healthier lives. The Company takes a local approach – with local brands and local teams – to provide fully integrated, high-quality, and cost-effective services to government-sponsored and commercial healthcare programs, focusing on under-insured and uninsured individuals. Centene offers affordable and high-quality products to nearly 1 in 15 individuals across the nation, including Medicaid and Medicare members (including Medicare Prescription Drug Plans) as well as individuals and families served by the Health Insurance Marketplace, the TRICARE program, and individuals in correctional facilities. The Company also serves several international markets, and contracts with other healthcare and commercial organizations to provide a variety of specialty services focused on treating the whole person. Centene focuses on long-term growth and the development of its people, systems and capabilities so that it can better serve its members, providers, local communities, and government partners.

Centene uses its investor relations website to publish important information about the company, including information that may be deemed material to investors. Financial and other information about Centene is routinely posted and is accessible on Centene's investor relations website, <https://www.centene.com/investors>.
