*Fred Eppinger to assume role of Chairman of the Centene Board*

*Wayne DeVeydt to assume role of Chairman of the Audit and Compliance Committee*

*Orlando Ayala, Richard Gephardt and William Trubeck to retire from the Board effective May 10, 2023*

ST. LOUIS, April 3, 2023 /PRNewswire/ -- [Centene Corporation](#) (NYSE: CNC) announced today that Fred Eppinger will assume the role of Chairman of the Centene Board of Directors, and Wayne DeVeydt will assume the role of Chairman of the Audit and Compliance Committee. Both changes are effective as of March 31, 2023.

"With over 30 years of executive and insurance industry experience and a deep knowledge of Centene, Fred Eppinger is dedicated to accelerating the important work underway to transform the health of the communities we serve. His leadership will help ensure Centene delivers value to our shareholders while remaining anchored in our long-standing mission to serve the underserved," said Sarah M. London, Chief Executive Officer of Centene. "I also look forward to Wayne's continued contributions to the Board from his new role as we continue to enhance our capital deployment strategy and position the company for long-term growth."

Mr. Eppinger currently serves as Chief Executive Officer of Stewart Information Services Company and previously served as Chief Executive Officer of Hanover Insurance Group, Inc., where he led Hanover from a regional enterprise to a global property and casualty carrier.

James Dallas announced on August 1, 2022 he would retire as Chairman of the Board prior to the 2023 Annual Meeting of Stockholders. Mr. Dallas will remain on the Centene Board of Directors and serve as a member of the Audit and Compliance and the Value Creation Committees. In addition, and as previously announced, Orlando Ayala, Richard Gephardt and William Trubeck will retire from the Board on May 10, 2023.

"I want to thank James for guiding the Centene Board of Directors through a significant evolution of the company's governance structure," said London. "His support and leadership have been instrumental in executing on this important work, and I am grateful for his continued service to the company."

"I would also like to thank Orlando, Dick and Bill for their contributions to the company's success over the years," added London. "Their leadership and guidance have helped Centene build a strong and successful platform across government-sponsored healthcare programs while positioning the company for long-term success."

### **About Centene Corporation**

Centene Corporation, a Fortune 500 company, is a leading healthcare enterprise that is committed to helping people live healthier lives. ### **Forward-Looking Statements**

*All statements, other than statements of current or historical fact, contained in this press release are forward-looking statements. Without limiting the foregoing, forward-looking statements often use words such as "believe," "anticipate," "plan," "expect," "estimate," "intend," "seek," "target," "goal," "may," "will," "would," "could," "should," "can," "continue" and other similar words or expressions (and the negative thereof). Centene (the Company, our, or we) intends such forward-looking statements to be covered by the safe-harbor provisions for forward-looking statements contained in the Private Securities Litigation Reform Act of 1995, and we are including this statement for purposes of complying with these safe-harbor provisions. In particular, these statements include, without limitation, statements about our future operating or financial performance, market opportunity, value creation strategy, competition, expected activities in connection with completed and future acquisitions and dispositions, our investments, and the adequacy of our available cash resources. These*

*forward-looking statements reflect our current views with respect to future events and are based on numerous assumptions and assessments made by us in light of our experience and perception of historical trends, current conditions, business strategies, operating environments, future developments, and other factors we believe appropriate. By their nature, forward-looking statements involve known and unknown risks and uncertainties and are subject to change because they relate to events and depend on circumstances that will occur in the future, including economic, regulatory, competitive, and other factors that may cause our or our industry's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance, or achievements expressed or implied by these forward-looking statements. These statements are not guarantees of future performance and are subject to risks, uncertainties, and assumptions. All forward-looking statements included in this press release are based on information available to us on the date hereof. Except as may be otherwise required by law, we undertake no obligation to update or revise the forward-looking statements included in this press release, whether as a result of new information, future events, or otherwise, after the date hereof. You should not place undue reliance on any forward-looking statements, as actual results may differ materially from projections, estimates, or other forward-looking statements due to a variety of important factors, variables, and events including, but not limited to: our ability to design and price products that are competitive and/or actuarially sound including but not limited to any impacts resulting from Medicaid redeterminations; our ability to maintain or achieve improvement in the Centers for Medicare and Medicaid Services (CMS) Star ratings and maintain or achieve improvement in other quality scores in each case that can impact revenue and future growth; our ability to accurately predict and effectively manage health benefits and other operating expenses and reserves, including fluctuations in medical utilization rates; competition, including our ability to reprocure our contracts and grow organically; the timing and extent of benefits from our value creation strategy, including the possibility that the benefits received may be lower than expected, may not occur, or will not be realized within the expected time periods; disruption, unexpected costs, or similar risks from business transactions, including acquisitions, divestitures, and changes in our relationships with third parties; impairments to real estate, investments, goodwill, and intangible assets; the risk that the election of new directors, changes in senior management, and any inability to retain key personnel may create uncertainty or negatively impact our ability to execute quickly and effectively; membership and revenue declines or unexpected trends; rate cuts or other payment reductions or delays by governmental payors and other risks and uncertainties affecting our government businesses; changes in healthcare practices, new technologies, and advances in medicine; increased healthcare costs; inflation; changes in economic, political, or market conditions; changes in federal or state laws or regulations, including changes with respect to income tax reform or government healthcare programs as well as changes with respect to the Patient Protection and Affordable Care Act and the Health Care and Education Affordability Reconciliation Act (collectively referred to as the ACA) and any regulations enacted thereunder; tax matters; disasters or major epidemics; changes in expected contract start dates; provider, state, federal, foreign, and other contract changes and timing of regulatory approval of contracts; the expiration, suspension, or termination of our contracts with federal or state governments (including, but not limited to, Medicaid, Medicare, TRICARE, or other customers); the difficulty of predicting the timing or outcome of legal or regulatory proceedings or matters, including, but not limited to, our ability to resolve claims and/or allegations made by states with regard to past practices, including at Centene Pharmacy Services (formerly Envolve Pharmacy Solutions, Inc. (Envolve)), as our pharmacy benefits manager (PBM) subsidiary, within the reserve estimate we previously recorded and on other acceptable terms, or at all, or whether additional claims, reviews or investigations will be brought by states, the federal government or shareholder litigants, or government investigations; challenges to our contract awards; cyber-attacks or other privacy or data security incidents; the exertion of management's time and our resources, and other expenses incurred and business changes required in connection with complying with the undertakings in connection with any regulatory, governmental or third party consents or approvals for acquisitions or dispositions; any changes in expected closing dates, estimated purchase price, and accretion for acquisitions or dispositions; restrictions and limitations in connection with our indebtedness; a downgrade of the credit rating of our indebtedness; the availability of debt and equity financing on terms that are favorable to us; foreign currency fluctuations; and risks and uncertainties discussed in the reports that Centene has filed with the Securities and Exchange Commission. This list of important factors is not intended to be exhaustive. We discuss certain of these matters more fully, as well as certain other factors that may affect our business operations, financial condition, and results of operations, in our filings with the Securities and Exchange Commission (SEC), including our annual report on Form 10-K, quarterly reports on Form 10-Q and current reports on Form 8-K. Due to these important factors and risks, we cannot give assurances with respect to our future performance, including without limitation our ability to maintain adequate premium levels or our ability to control our future medical and selling, general and administrative costs.*
