

Sunshine Health and Johns Hopkins All Children's Care Network Enter Value-Based Care Agreement to Better Serve Medicaid Recipients - May 16, 2023

Partnership provides in-network access with more than 160 primary care providers serving 56,000 Sunshine Health members

TAMPA, Fla., May 16, 2023 /PRNewswire/ -- [Sunshine Health](#), a leading Medicaid managed care organization in Florida, and [Johns Hopkins All Children's Hospital](#), a premiere clinical and academic health system providing expert pediatric care for infants, children and teens with some of the most challenging medical problems, have deepened their existing relationship by entering into a new two-year, value-based agreement providing access to care for 56,000 Sunshine Health Medicaid members.

Under the value-based care agreement, more than 40 practices composed of over 160 primary care providers that are part of Johns Hopkins All Children's Hospital's pediatric [clinically integrated network](#) (CIN) All Children's Care Network (ACCN) can now earn additional reimbursement for improving health outcomes and engaging Sunshine Health's members in preventive and maintenance care. The providers also receive access to comprehensive clinical information and care management resources. This agreement further exemplifies Sunshine Health's dedication to providing high-quality, accessible healthcare to the communities it serves.

"This new value-based agreement with a premiere Children's Hospital is consistent with our efforts to further align the goals of Florida's Medicaid Managed Care program with the goals for our valued providers," said Nathan Landsbaum, President and CEO of Sunshine Health. "We are honored to continue our partnership with Johns Hopkins and look forward to delivering better health outcomes for our members and the state of Florida."
