

CENTENE NAMED TO FORTUNE® 2024 LIST OF THE WORLD'S MOST ADMIRABLE COMPANIES™ - Jan 31, 2024

*Recognition Marks Sixth Consecutive Year Centene Is in the Annual Ranking*

ST. LOUIS, Jan. 31, 2024 /PRNewswire/ -- [Centene Corporation](#) (NYSE: CNC), a leading healthcare enterprise committed to helping people live healthier lives, today announced that it has been recognized by *Fortune* magazine as one of the [World's Most Admired Companies](#) for the sixth consecutive year. Based on rankings by thousands of industry peers, the list captures the most well-regarded companies globally.

"Centene is honored to be included on *Fortune's* list among the world's most respected and reputable companies for the sixth consecutive year," said Sarah M. London, CEO of Centene. "Since our founding in 1984, we have worked tirelessly to bring high-quality care to each of our members, growing from a small operation in the basement of Family Hospital in Milwaukee to a national enterprise serving more than 28 million members today. I am deeply grateful for our employees, providers, states and our federal government partners as well as all of the community organizations that enable us to deliver on our mission to transform the health of the communities we serve."

This accolade is a result of Centene's continued execution of its long-term strategy, focused on delivering access to high-quality care for members across its Medicaid, Medicare and Marketplace businesses. Through a disciplined and uniquely local approach, Centene has continued its commitment to supporting vulnerable populations with access to quality care and has expanded its focus on and efforts to address the social determinants of health across the country, where the company's nearly 67,800 employees are working hard each day to transform the health of the communities it serves.

Centene further delivered on its mission to serve its local communities with innovative programs and services. The [Centene Foundation](#), the philanthropic arm of Centene Corporation, introduced grants to prioritize healthcare workforce development initiatives through health and wellness centers in Atlanta, Georgia, and Buffalo, New York, invested in community resources through a multipurpose community center in [Uvalde, Texas](#), and reduced homelessness through a Housing Command Center and social driver of health mobile app in [Iowa](#).

In 2023, Centene also remained committed to the health and well-being of its members through disaster relief efforts following the Hawaii wildfires, tornadoes in Mississippi and Alabama, Hurricane Idalia in the southeastern U.S. and more.

Since 1997, *Fortune* has collaborated with management consulting firm Korn Ferry to build the World's Most Admired Companies list. According to *Fortune*, they survey more than a thousand companies across 52 industries to rate industry peers based on the company's innovation, people management, use of corporate assets, social responsibility, quality of management, financial soundness, long-term investment, quality of products and services and global competitiveness.
