

CENTENE NAMED TO FORTUNE® BEST WORKPLACES IN HEALTH CARE 2024™ - Sep 12, 2024

Recognition Marks Third Consecutive Year of Centene's Annual Ranking

ST. LOUIS, Sept. 12, 2024 /PRNewswire/ -- [Centene Corporation](#) (NYSE: CNC), a leading healthcare enterprise committed to helping people live healthier lives, announced today that it has been recognized by *Fortune* magazine as one of the [Best Workplaces in Health Care 2024™](#) in the Large Company category, for the third consecutive year.

"Delivering the best care for our members requires going above and beyond for each other in the workplace," said Centene Chief Executive Officer Sarah M. London. "This recognition is a true reflection of our One CenTeam culture – and the support our employees provide to each other as they work together to deliver quality, compassionate care to members and communities nationwide."

Fortune partners with people analytics firm Great Place to Work® to produce the annual "Best Workplaces" lists using confidential employee surveys to gauge their workplace experience, trust in management, collegial culture and more. Formulated based on feedback from employees of various demographic groups and roles within the organization, the Best Workplaces in Health Care ranking reflects positive findings on key themes and employee behaviors such as loyalty to the company, opportunities for employees, community impact and overall business success.

This recognition reflects the impact of Centene's innovative talent programs and strong employee engagement efforts that foster a collaborative workplace culture. As a leading employer in the healthcare industry, Centene offers unique benefit offerings and wellness initiatives to support the whole health of its employees, while creating pathways to develop professionally through continuous learning and career planning. As a result, Centene's culture is one that promotes transparency, openness and integrity, where employees are encouraged to channel their unique perspectives and skills to deliver for its 28.5 million members.
