

*New leadership role reflects Centene's focus on ICHRA growth*

ST LOUIS, Jan. 9, 2025 /PRNewswire/ -- [Centene Corporation](#) ("Centene") [NYSE: CNC], a leading healthcare enterprise committed to helping people live healthier lives, is pleased to announce that Alan Silver has joined the organization as the President of its Ambetter Health Solutions business, which focuses on ICHRA (Individual Coverage Health Reimbursement Arrangements). This newly created role reflects Centene's belief that consumers increasingly will seek health insurance that offers transparency, customization, choice and convenience. ICHRA plans allow employees to shop on the individual Marketplace and choose the insurance plan that works best for them, using a tax-free stipend from their employer.

"We believe ICHRA is the future of healthcare coverage for individuals and families, increasing flexibility and affordability," said Centene Chief Executive Officer Sarah London. "Combining our experience supporting the coverage needs of hard-working Americans with Alan's industry-leading ICHRA expertise will accelerate our work to foster greater adoption of ICHRA as a strategic and innovative solution for employers and employees alike."

Silver will bring more than two decades of leadership experience in benefits administration and actuarial consulting to the role, including a proven record of driving growth, developing client-focused benefit solutions and pioneering exchange-based healthcare strategies.

"Alan's appointment underscores our dedication to making ICHRA a cornerstone of our growth strategy," said Ambetter Health's Chief Executive Officer Kevin Counihan. "With his exceptional background in benefits innovation and deep understanding of the market, Alan is the ideal leader to advance our vision and help us set a high standard for ICHRA offerings, providing meaningful value to employers and employees across the nation."

Most recently, Silver led retiree medical and ICHRA initiatives at Willis Towers Watson. His expertise uniquely positions him to lead Ambetter's efforts in expanding and enhancing ICHRA offerings to meet and drive evolving market needs.

"I am excited to join Ambetter Health and Centene," said Silver. "ICHRA is an exciting opportunity to transform how employers provide healthcare benefits, and Centene is uniquely positioned to lead this evolution. I look forward to collaborating with the team to deliver innovative solutions that empower organizations and their employees."

Ambetter serves more than 4.5 million members in the individual market, focusing on delivering reliable, high-quality healthcare benefits that adapt to the changing needs of its members and the market. Its approach to ICHRA is rooted in deep industry and product expertise to making healthcare better for all through choice and accessibility.
