

Oklahoma Complete Health Offers New and Upgraded Benefits for SoonerSelect Members in 2025 - May 1, 2025

OKLAHOMA CITY, May 1, 2025 /PRNewswire/ -- [Oklahoma Complete Health](#) introduces new and upgraded SoonerSelect benefits to support members. Enhancements to the value-added services aim to improve health outcomes and overall well-being of members.

"Oklahoma Complete Health is excited to expand the 2025 offerings to serve our members," said Oklahoma Complete Health's President and CEO Clay Franklin. "Our plan continues to prioritize the health and well-being of Oklahomans and find ways to meet their unique needs."

New and upgraded benefits include:

- **New: Diaper Club**
Starting July 1, Oklahoma Complete Health is introducing a \$30 per month Diaper Club for members 0 - 1 year old whose parent is enrolled in the Start Smart for Your Baby program or care management.
- **New: Prescription Limit Expansion**
Some important medicines will not count toward member's 6-prescription monthly limit. These include medicines for infections, seizures, mental health, heart health, and diabetes. This change will help members who need more medicines get the care they need to stay healthy.
- **Upgraded: Over-The-Counter Benefits**
As of July 1, this benefit will expand from a household benefit to a member allowance of \$30 per quarter. This means every Oklahoma Complete Health member in the home will get a \$30 benefit to buy over-the-counter items like cold medicines, vitamins and more.
- **Upgraded: Transportation**
Rides to the doctor's office for all appointments now allow up to 4 family members to come along. Oklahoma Complete Health also provides up to 15 rides to places like the grocery store, pharmacy, or to a job interview.

To learn about all the value-added services offered by Oklahoma Complete Health like the YMCA membership, enhanced vision benefits and more; visit [CareForOK.com](#).

Last April, Oklahoma Complete Health began serving SoonerSelect members to improve health outcomes for Oklahomans and deliver improved member satisfaction. In its first year, Oklahoma Complete Health completed more than 11,651 referrals for members' social drivers of health needs and connected them with resources, helped more than 2,500 members access Food Rx benefits, provided more than 20,684 YMCA visits across the state for healthy living and distributed more than \$2.1M in reward dollars for healthy activities.

"Oklahoma Complete Health means my kids can receive a better life with all the services they provide – the tutoring, transportation and the YMCA," said Oklahoma Complete Health Member Pam C. "They walked us through everything. They got us connected with the right people. We would hear from Oklahoma Complete Health, and they would ask – do you need anything? What can we do to help?"

SoonerSelect members are also encouraged to keep their contact information up to date by visiting [www.MySoonerCare.org](#).
