

Meridian Partners With McLaren to Expand Its Network in 35 Counties Across Michigan - Aug 7, 2025

Members enrolled in our health plans will be able to receive their care close to home

DETROIT, Aug. 7, 2025 /PRNewswire/ -- Meridian Health Plan of Michigan, Inc. ([Meridian](#)), a leading managed care organization in Michigan, is pleased to announce its new partnership with [McLaren Health Care](#), one of the region's most respected healthcare systems. This collaboration will expand access to high-quality medical services for over 500,000 Meridian members in our plans across the state.

Effective Aug. 15, Meridian members enrolled in our Medicaid, Medicare, Dual, and Marketplace plans will have full in-network access to McLaren facilities, which includes 12 hospitals in Michigan, ambulatory surgery centers, imaging centers, and an extensive network of primary and specialty care providers. This is the first time in Meridian's history that we have partnered with McLaren to expand our network, and it's a meaningful step forward in our mission to deliver accessible, high-quality medical care to our members.

"This partnership reflects our commitment to ensuring that our members receive the best care, close to home," said Patty Graham, Plan President and CEO of Meridian. "By aligning with McLaren, we're strengthening our network and bringing greater choice, convenience, and quality to the communities we serve."

"One of our mandates as a health care provider is to develop access to our care and services for everyone in the communities we serve," said Chad Grant, McLaren Health Care Chief Operating Officer. "Entering into this agreement advances our goal of ensuring more families and individuals are able to receive their care close to home, and we are grateful to welcome them to McLaren."

Members will begin receiving detailed information about how to take advantage of the expanded provider network in the coming weeks.
