

PA Health & Wellness Recognized Among Top 14 Medicaid Health Plans in the Nation by NCQA - Sep 18, 2025

MECHANICSBURG, Pa., Sept. 18, 2025 /PRNewswire/ -- PA Health & Wellness, a leading managed care organization in Pennsylvania and a company of [Centene Corporation](#) (NYSE: CNC), today announced that it has been ranked among the top 14 Medicaid health plans in the United States by the **National Committee for Quality Assurance (NCQA)** in its 2025 Health Plan Ratings. This national recognition underscores the company's ongoing commitment to providing high-quality, accessible healthcare to Pennsylvanians.

"We are honored to be recognized among the top Medicaid health plans in the nation," said Interim CEO Marc Giordano of PA Health & Wellness. "This recognition from NCQA validates the work of our providers, our partners, and our team members, all of whom are committed to helping our participants live healthier lives."

NCQA evaluates health plans across the country using a rigorous review process that measures clinical quality, member experience, and efforts to improve overall health outcomes. PA Health & Wellness's ranking reflects its dedication to ensuring members receive the right care at the right time while prioritizing preventive services, chronic condition management, and innovative care solutions.

PA Health & Wellness serves participants in the Community HealthChoices Program, which provides a comprehensive range of long-term services and supports to help individuals remain in their homes and in their communities, if they choose. As part of its mission, it partners with local providers, community organizations, and stakeholders to strengthen healthcare delivery and address social determinants of health, one person at a time.

"Healthcare is about more than just medical services—it's about building connections and creating healthier communities," added Giordano. "This ranking reflects our ongoing commitment to innovation, compassion and quality in the way we care for Pennsylvanians."

The NCQA Health Plan Ratings are considered the gold standard in measuring health plan performance, providing transparency for consumers and accountability for health plans nationwide.
